LAT is contracted to deliver HM Prison and Probation Service's 'CFO3' project in the community in Lincolnshire and in several local prisons. This is a national 'employability' project for individuals with a criminal conviction in the community and in prison which offers a range of interventions including:

- Core activities such as information, advice and guidance (IAG); disclosure support, assistance with money management and budgeting; benefits advice; employability interventions e.g. CV's interview techniques, job search; obtaining ID;
- Specialist support in relation to substance misuse and mental health; accommodation; debt and financial management; mentor support
- Access to vocational and educational courses
- Support to enter and sustain employment

In addition to the 1-1 and small group delivery of the interventions above, our CFO3 team are also involved with employer liaison, negotiating work placements and arranging education and training opportunities for project participants.

We are now looking for a Case Manager / IAG Officer to join the team. This post will cover HMP Lincoln, with some outreach delivery to other locations as needed. The post is full time, although we would also welcome applicants who are seeking part-time employment. Ideally you will hold a minimum NVQ3 in Advice, or an NVQ4 in Guidance.

We also operate a band which commences at £18,540 for practitioners holding a relevant level 3 qualification and working towards level 4, as well as a trainee band for people new to this work, starting at £17,000. The starting salary within a band is dependent on relevant experience and qualifications.
